**Information in accordance with the Espoo Convention (Article 6) on
Environmental Impact Assessment in a Transboundary context for the
Baltic Pipe gas pipeline**

The Ministry of Climate, Energy and Utilities has today granted a permit to Gaz-System S.A. to construct the Danish section of the planned Baltic Pipe Pipeline in the Baltic Sea. The Danish Energy Agency has also made the permit public today.

We hereby enclose the permit in Danish. The Danish Energy Agency has informed us that an English version of the permit will be submitted to you in a short time. A Polish version will respectively be submitted in short time to Poland.

Yours sincerely,

Helle Toldsted Eriksen
